AID FOR UKRAINE

The Charitable Foundation of the Canadian Polish Congress, a Polish community foundation that can transfer funds outside Canada, announces a fundraiser campaign:

"AID FOR UKRAINE".

Ukrainian people are suffering. We cannot remain indifferent. Military attack of the Russian Federation troops in Ukraine hurts innocent people. Civilians are dying, their belongings, houses, daycares, schools, civil infrastructure are destroyed. The people of Ukraine need help now, they need anything which help them to survive. I am sure any help will be gratefully appreciated.

I would like to ask everyone to be part that campaign by transferring funds to the Foundation's account in Polish Credit Union (<https://www.polcu.com/>) with the note "Aid for Ukraine".

Account number: 24583. Alternatively, you can mail the cheques to the foundation's address:

Charitable Foundation of the CPC, 206 Beverley St. Toronto, ON M5T 1Z3.

The money collected will be transfer to a foundation in Poland for the purpose of helping refugees from Ukraine in Poland. Selection of a foundation in Poland will be guided by two criteria: impeccable opinion of the foundation and the foundation's administrative costs, to assure that as much of the money as possible will go to those in need.

All donors contributing at least **CAD 25.00** will receive an Official Tax Receipt (No. **890 134 190 RR 0001**). In order to be able to mail you the Official Tax Receipt, please e-mail us the following information: name, surname and address, or the name and address of the business (if the donor is a business), and an amount donated. Our e-mail address is contact@cfpc.org.

I thank all of you on behalf of the suffering people of Ukraine.

Juliusz Kirejczyk
